THE NEW LAW OF INFERENCE AND RUMOR—

"It is fairly inferable from his past and present affiliations that..." (Decision of supreme Court of California in the case of Warren K. Billings.) Thus the life and liberty of a citizen becomes subject to inference and rumors for which there is not a scrap of evidence.

LEWIS AND HOWAT FIGHT IT OUT IN ILLINOIS MINES

Struggle for Control Goes On By Butchering Official Voting Fortunes Reported by Supporter

ROYALTON, Ill., July 10.—The Lewis faction of the United Mine Workers, which is reported to have made two unsuccessful attempts to oust leaders in the Frankfort Local of the Illinois District, has vowed to oust the new officials who were elected last week. An injunction was issued in restraint of Lewis' action on the petition of the new officials.

The court emphasized the importance of the action of the union now in contention, the Reorganized Faction of the United Mine Workers of America, which prevents his interference with the properties of the District. The new officials were sworn in on the writer of this to witness an honorary pension until market picks up. The letter was brandishing a revolver.

THE "LAW" AND THE PROVEN FACTS

"The "law" against which Mooney's activities were taken was the same against which our activities are taken. They both attack the very heart of the worker's movement, the very foundation of the working class."

INDUSTRY MORE DEADLY THAN A BATTLE FIELD.

FIRE DEATHS IN WASHINGTON FELL 34 PER CENT IN 1930. 1,602 DEATHS AND 1,378 INJURIES INCLUDED. 1929, 2,493 DEATHS AND 2,292 INJURED.

To no ideologies with respect to the present have a wide reading.—Robert Whitaker.

The dark ages are supposed to be past, witches are no longer burned at the stake. It is said that there is no such thing. This is a lie. The capitalistic powers are exerting every form of repression to keep the masses in subjection. With the aid of the law, of the army, of the police, of the lawless mob, the capitalist class is forging ahead with renewed energy. The workers in California, Arizona, Texas, and Texas, Texas, Texas, have been the most immediately affected.

LANDLORD TAKES LAND AND LABOR OF COLD. FARMER

The landlord now has all the land and the tenant farmer has all the labor. A tenant farmer is just a means to the landlord. The landlord now is as ruthless as the robber baron.

The workers are in a pitiful condition. The landlord buys all new machinery to work the land. The tenant farmer is left with nothing to work on. The landlord now is as ruthless as the robber baron.

Thomas Stevens

I. U. 110 SENTS OUT CALL TO WORKERS

HOBBS, Iowa, July 1—Thomas Stevens, Iowa railroad union official, who was appointed by the American Federation of Labor to investigate the Hawkeye Secondary Company railroad in Iowa, has returned to Chicago at the time of this report. In the meantime, I am told, he has taken the occasion to investigate the railroad situation in Iowa and the surrounding states.

Stevens claims that the railroad situation in Iowa is a grave one, and that the conditions under which the workers are laboring are intolerable. He states that the workers are being paid less than the minimum wage and that they are being subjected to very long hours of labor. He further states that the railroad company is engaged in a campaign of discrimination against the workers and that they are being denied the right to organize.

Stevens is urging the workers to take action and to demand better working conditions. He is also calling for the prompt investigation of the railroad situation in Iowa and the surrounding states.

Stevens is a member of the American Federation of Labor and is well known for his work in the labor movement. He has been an active worker in the labor movement for many years and has been instrumental in the organization of many labor unions.

Stevens is a strong believer in the right of workers to organize and to demand better working conditions. He is a firm believer in the principle of solidarity and is determined to fight for the rights of the workers.

He is a man of great courage and determination and is not afraid to speak out in support of the workers. He is a man who is willing to sacrifice himself for the cause of the workers and is determined to win this fight.

We are all proud of Thomas Stevens and his fine record in the labor movement. We support him in his fight for the rights of the workers and we are confident that he will win this fight.

We call on all workers to support Thomas Stevens and his fine work for the rights of the workers. We urge all workers to stand by Thomas Stevens and to support him in his fight for the rights of the workers.
